

Install the new Remote Support client from I-net central

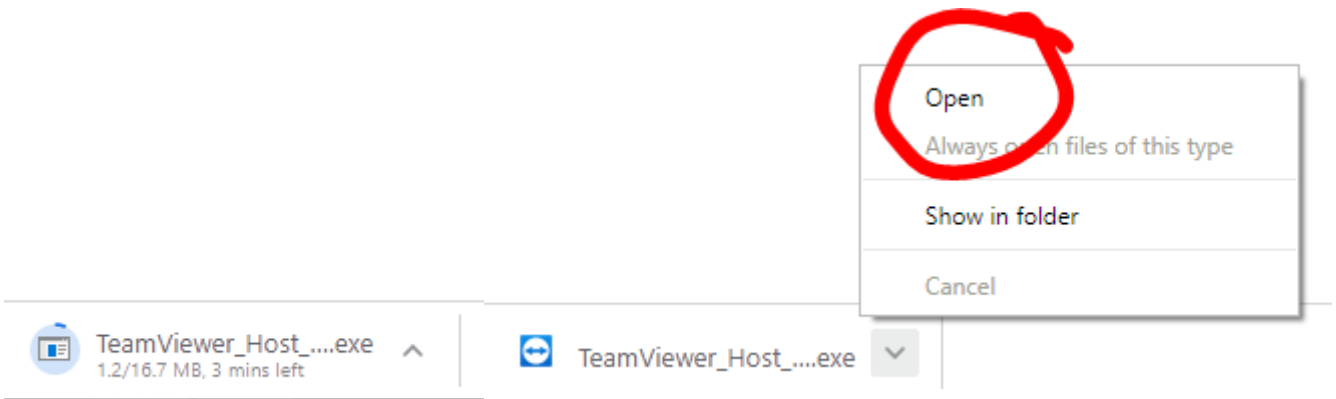

If you have any concerns or queries, please call 03 8609 1520 or support@inetcentral.com.au – Cameron Male

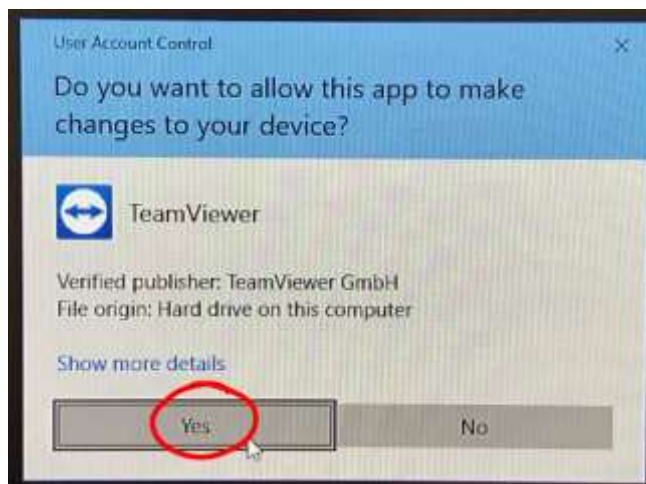

1. Download and run the Team Viewer setup here -> <https://get.teamviewer.com/officewise> then Run or install

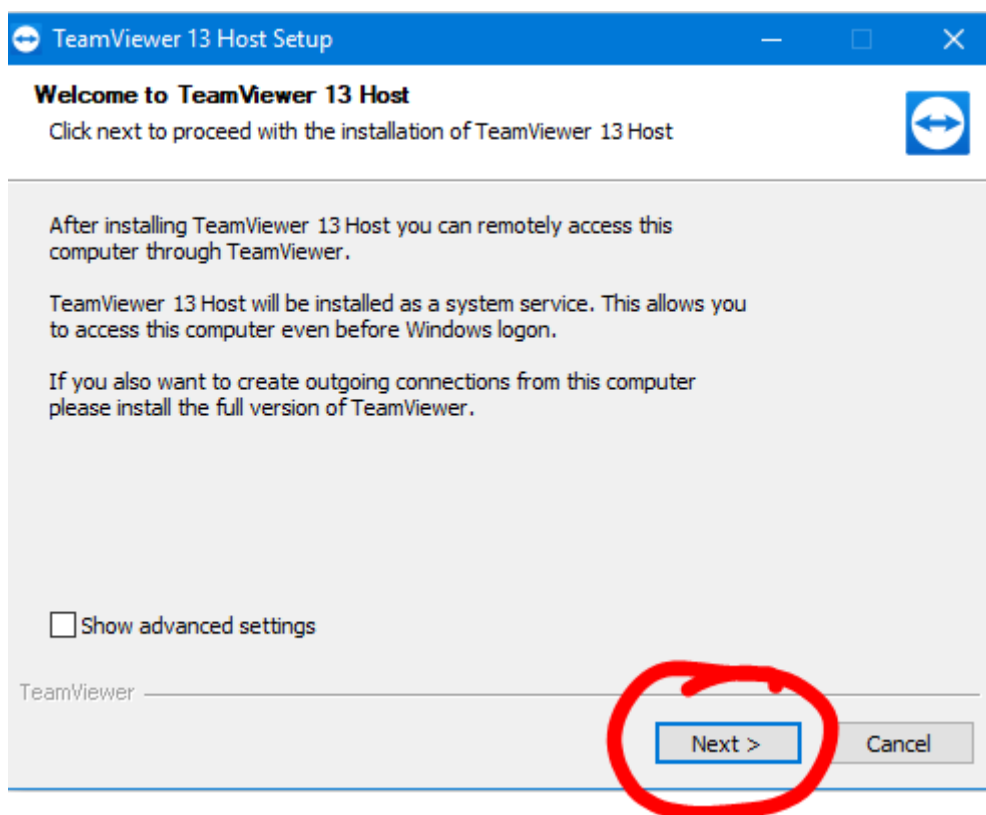

Or if you are using chrome:

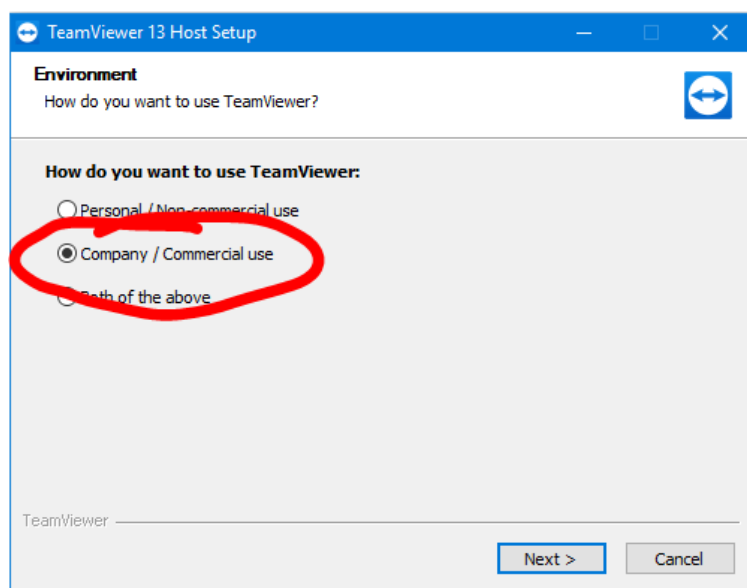

2. If a screen appears like this, click **YES**

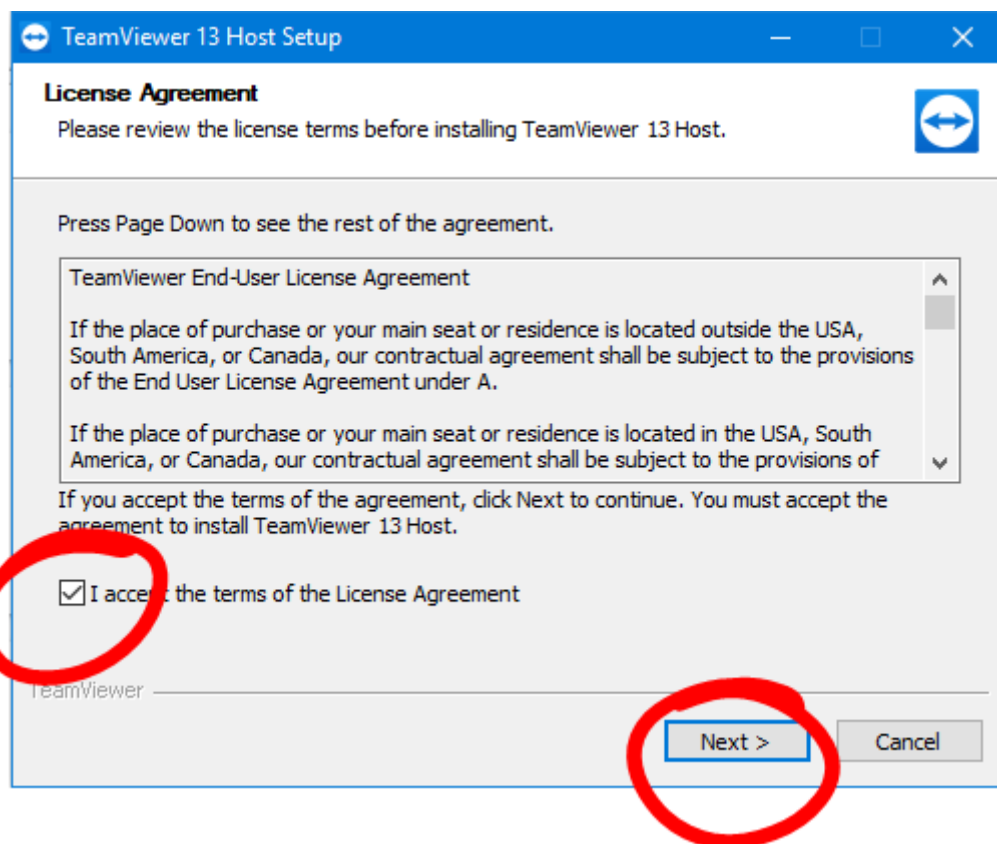

3. Click Next

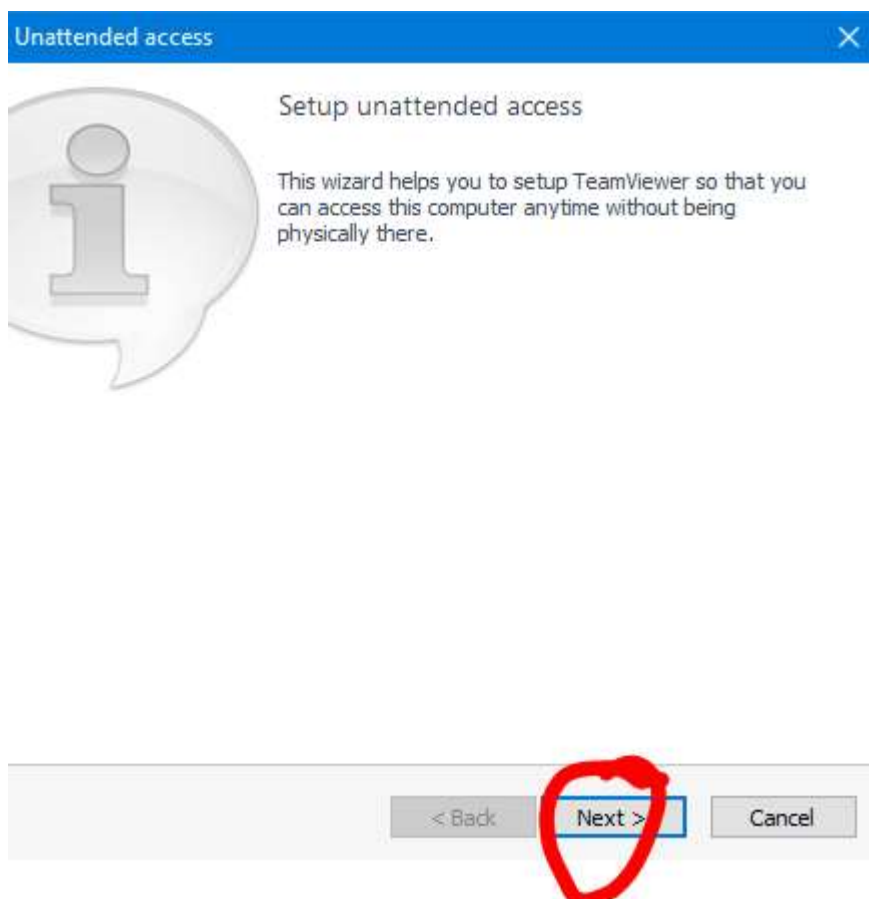

4. Click "Company / Commercial Use" then Next

5. Click “I agree” and Next

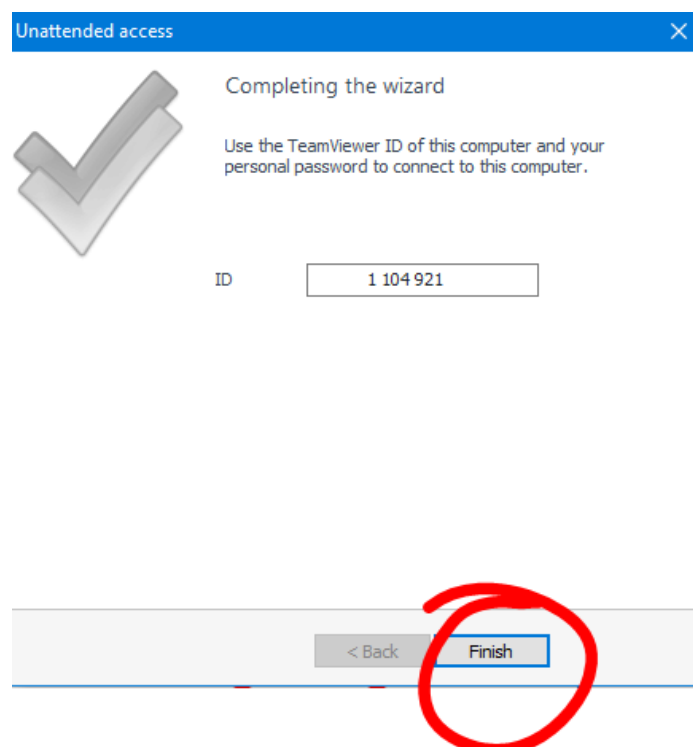

6. Click Next

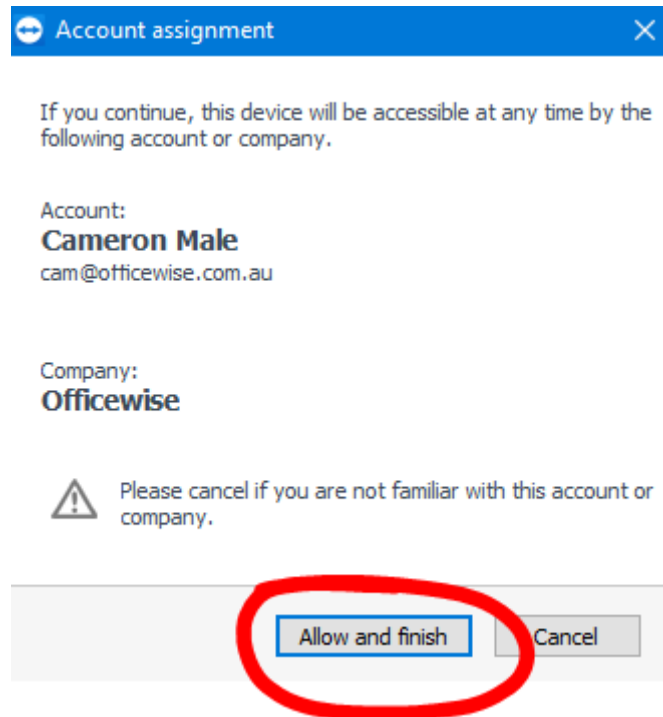

7. Key in any password, this password is not important, and anything can be used, then click Next

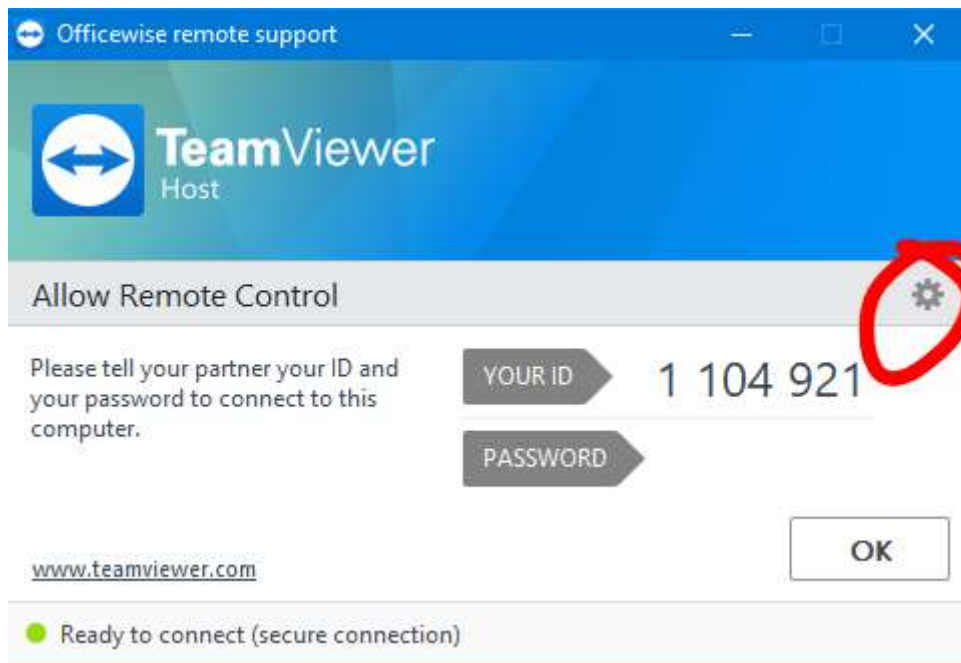

8. Click Finish

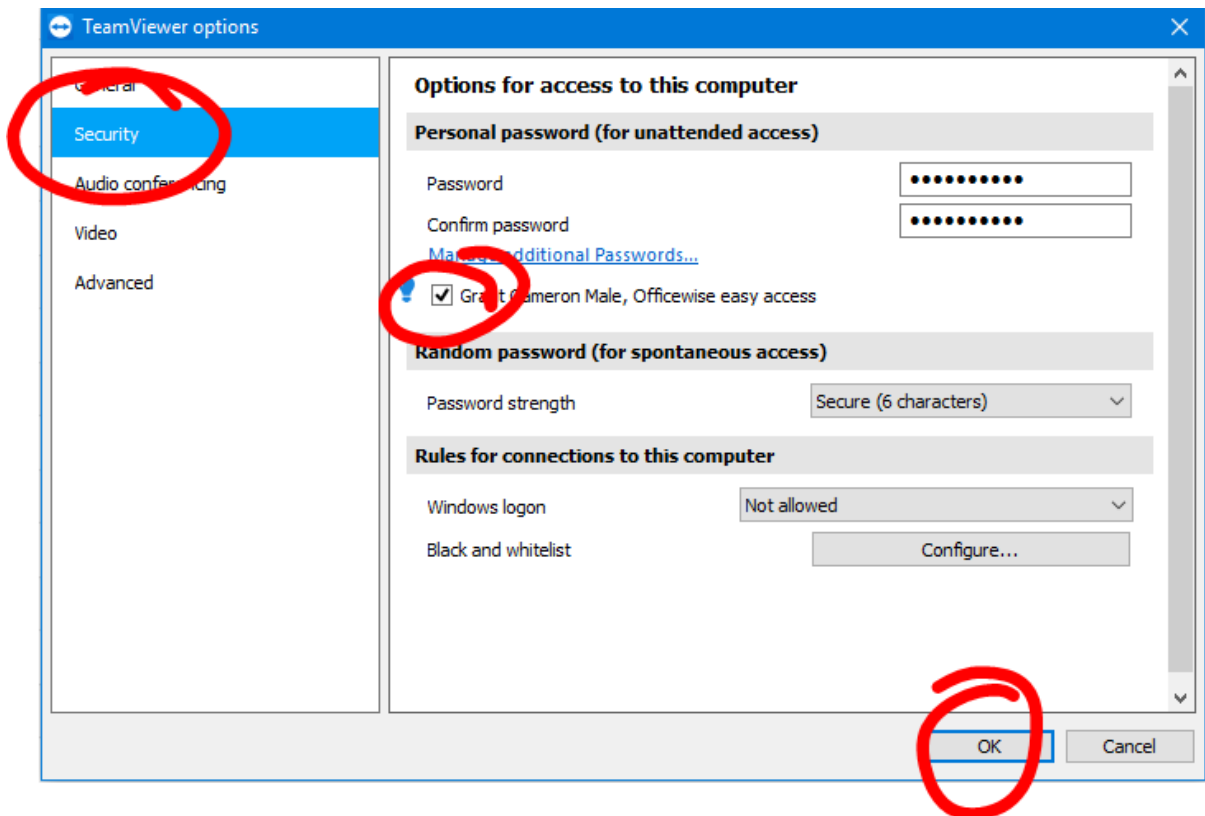

9. Click “Allow and finish”

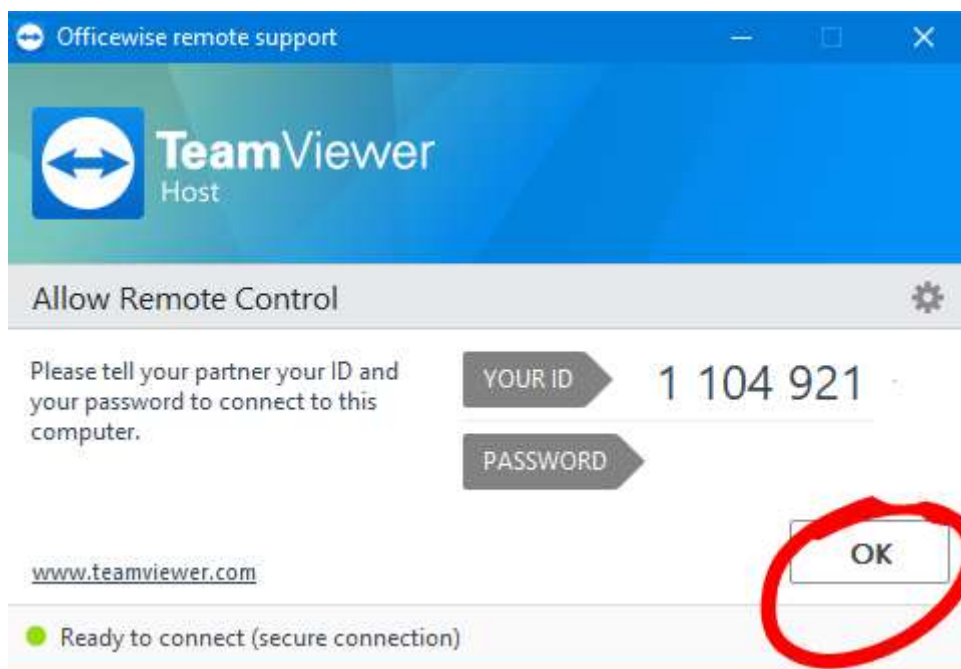

10. Click the Cog

11. Click 'security' then tick 'Grant Cameron Male, Officewise easy access'

12. Click OK

You're done 😊
